

EYE CARE

The Nancy K. Brown family of Eye Care products are specifically formulated to meet the special needs of the tissues of the delicate eye contour area. Light and easily absorbed - fragrance and color free - they are full of botanicals and botanical extracts, vitamins, anti-oxidants, hydrators, moisturizers, soothers, calmers and skin nutrients.

These Eye Care products provide you with the tools to maintain or restore the vitality, vibrance and beauty of your eye contour area. Pamper your eyes - while fighting lines, wrinkles, crows feet, dark circles, puffiness, redness and irritation.

anti-oxidant EYE GEL

- This powerful anti-oxidant Eye Gel, light and easily absorbed, helps **boost the clarity and elasticity** of the skin in the delicate eye contour area, while helping to protect against free radicals. **Helps diminish dark circles and puffiness** around the eyes.

- assists the eye contour area by helping to:

- decongest
- pamper
- improve circulation
- improve cellular functioning
- reduce puffiness
- diminish dark circles
- improve tissue elasticity

- *for all skin types*
