

# FOOT CARE

your feet are one of nature's engineering wonders, contain 25% of all the bones in the human body (28 each foot), absorb more than 1 ½ times your body weight with each step, get you everywhere you are going - yet are taken for granted, abused, neglected...why? they deserve proper care !

## Foot Repair Crème

this luxurious therapeutic pedicure repair crème is specifically formulated for help with the corrective repair of stressed, painful, neglected feet or for the preventive maintenance of feet in good condition. *Helps to:*

- repair or prevent formation of cracks, splits and fissures
- prevent formation of corns and pressure spots
- promote general blood circulation to area applied, for increased oxygenation of tissues
- with Whole Leaf Cold Processed Aloe Vera to help calm inflammation, reduce swelling, promote circulation, condition, hydrate, moisturize, keeping feet & ankles supple
- with Salicylic Acid to exfoliate and soften calluses, to condition, keep feet supple and help fight fungal problems
- with Peppermint Oil and Menthol to help deodorize, provide cooling relief and calm itching.

## FORMULA F - solution for fungal prone feet, fingers, skin, nails and cuticles

Formula F - this highly effective natural solution, is specifically designed to assist feet, skin, fingers, nails and cuticles prone to fungal problems. To help repair, strengthen and condition.
