HIDDEN STRENGTH

NANCY K. BROWN

BODY BUILDING-CALCIUM GEL HARDENER & MENDER

Use on natural or artificial nails as base & top coat or alone as clear finish. Fixes splits, breaks. Prevents bending, breaking & splitting. Adds thickness, strength and body to nail.

Smooth START!

STAIN PREVENTING RIDGE FILLER & PRIMING BASE COAT

Use on natural or artificial nails as a base coat. Prevents nail staining. Fills ridges, hides flaws and imperfections, primes for polish. Maximum smoothness, dries matte.

UHF ULTRA HIGH GLOSS FINISH

SILICONE - ACRYLIC LAMINATING & FINISHING GLAZE

Use on natural or artificial nails as a top coat finishing glaze. Maximum shine, prevents chipping, peeling, cracking & splitting. Fast drying and long wearing.

second stage AGE CONTROL

GLYCOLIC CONDITIONING STRENGTHENER

Use on natural nails as a base coat and top coat or alone as a clear gloss finish. With Glycolic, Hyaluronic, Iron, Zinc, Elastin & Biotin. Improves nail hydration, flexibility, texture and smoothness. Reinforces, strengthens, revitalizes and protects.

FIBERGLASS Network

BRUSH-ON FIBERGLASS

Use on natural nails or over artificial nail tips as a base coat. High density polymer shield. Easy to apply, brushes on like nail polish, for nails that will not peel, bend, break or split

AvoCare

Conditioning Cuticle & Nail Treatment Oil

Use on cuticle and natural nails, conditions and moisturizes cuticles and nails. Promotes nail growth, fortifies, revitalizes and hardens.

NANCY K. BROWN

INSTANT I.C.U.

Protein Nail Hardener

Intensive Care Concentrated Protein Serum hardens nails on contact. Instantly penetrates, infusing nails with protein and therapeutic conditioners to harden thin, soft or bending nails.

world's most effective nail treatments

what users are saying:

"I Need this Badly! Since I have not been able to get it here [in USA] for a year or so, my nails went from Beautiful to Horrible! I love the LCD!"
